### **Letter of Recommendation**

To whom this may concern:

I am writing this letter, as a recommendation of your company and services, as well as to thank you for all of the hard work you have done for us at All- Stat Portable X- Ray. With Worthy Insurance, there is no comparison. You provide such excellent service, support, and cost saving methods and we would not consider anyone else handling our account since signing on with Worthy.

After reviewing our existing policies, you found some coverage gaps and were able to fill in these coverage gaps while adding significant amounts of additional coverage without raising our costs by too much. You were also able to save us money on all our lines of coverage from General Liability to Workers Compensation. I have been very pleased with the additional services you offer such as the Risk Management and Compliance.

I offer this letter of recommendation of Worthy Insurance Group and encourage you to share it with anyone you may work with presently or in the future. I have full confidence that Worthy Insurance could help out any business with their coverage in the best way possible.

Thank you,

Etai Sooliman
